**REMARKS**

This communication documents a telephone conversation that took place on March 24, 2005 between Arthur J. Carlson ("Agent") and Sarah C. Burnham ("Examiner") regarding an Office Action Summary dated January 10, 2005 for the above-referenced case.

Agent referred to drawings objected to by Examiner in the Office Action. Agent asked whether adding a new drawing showing detail of hinges referenced in specification on page 11 would constitute adding new matter. Examiner replied that, in her opinion, adding such detail would not constitute adding new matter.

Agent thanks Examiner for her courteous and helpful response.

If Examiner has any questions concerning this case, please direct any inquiries to Art Carlson at 530-265-0817.

Respectfully submitted,
